WORKPLACE TRANSPORT

Reversing walk-check

Walk the site in a busy hour. For each place where vehicles reverse, count the reversing moves and note what you see.

Site	Walked by	Date	Time (from / to)

Location	Reversing moves counted in one hour	People on foot nearby? (yes / no)	Could this move be removed? How?	Reversing area marked? (yes / no)	Mirrors and aids working? (yes / no)
